EXCHANGE YOUR RANDS TO METICAIS

At the Engen garage for best exchange rate. We always use Petronica (+27 82 533 4799). Do not exchange money at the border! Meticais can also be drawn at ATM's inside Mozambique and most shops and restaurants take cards.

AT THE BORDER

Please remember your driver's license and passports! Don't let anyone assist you with stamping passports and filling in Mozambique car papers on the Mozambican side!

VEHICLE REGISTRATION PAPERS

If your vehicle is under finance -you will need a letter from the bank authorizing you to take it across the border. If you are not the owner of the vehicle in which you are travelling, you will need a certified letter from the owner authorizing you to take it across the border. You will also need letter from your insurance company confirming that your vehicle is insured and for which countries. You also need your GREEN LICENCE (MR1) paper, from where you cut out your licence disk to be presented for your car registration at the Mozambican side.

STICKERS ON CARS AND TRAILERS

Black and white ZA sticker displayed in plain sight on vehicle. The backside preferable. If towing a trailer, display a sticker with yellow triangle on square blue background on both front of the vehicle and rear of trailer. Stickers can be bought at the border, but preferably at Outdoor Warehouse, it's much cheaper.

CELL PHONE RECEPTION

Roaming can be enabled(expensive) or you can install a local sim card and buy airtime at the garage on your right just after the border on the Mozambique side. (Movitell or Vodacom). Sim Card +/- R 30.00
